Church History

St. Emeric Parish was founded in 1904 to minister to the many Hungarian immigrants living on the west side of Cleveland. Today the church continues its mission of serving the spiritual needs of Hungarian speaking Catholics in greater Cleveland and its many surrounding suburbs with the Eucharist as the essence of its mission. Today it also reaches out to the youth of Hungarian descent by allowing the school facilities and a remodeled building on the parish grounds to be used by the Cleveland Hungarian School once a week and by the Hungarian American Scouts several times a week. The church hall is used as a gathering place for parishioners to socialize and to organize fundraising activities for the parish such as traditional Hungarian style dinners and bake sales, as well as hosting programs which reflect the rich cultural Hungarian Christian heritage. The Parish celebrated its 100th anniversary in 2004 and is looking forward to its 115th anniversary to be celebrated in 2019.
