Church History

The community was founded in 1948, at same time the Ladies Aid was born too. The parish ran The Kossuth Club since 1952. The pastors have been serving this community for fourteen years. Although we are to face challenges and difficulties, we would not lose our heavenly vision, because the Lord is with us. The average attendance is between 45-60 on Sundays, 150-175 on the Holidays. We produce the fruits of Christian faith by the stewardship to maintain our properties and also by sending our mission donations to local churches, orphanages and schools in the Carpathian basin. Our social activities include the patriotic holidays, the Sunday lunches - once a month with live music in the afternoon, and other cultural programs. We greatly acknowledge the volunteer help of those diligent women and men whose tireless works contributed to a successful faith community in South Florida. In conclusion, we are happy for the enrichment in giving to others and the many blessings we receive in accepting one another.
