### Church History

---

The Hungarian Baptist mission was founded in 1908, at the beginning the congregation held the mass at house of István Pető in the Medina street. The first Baptist Church was built in 1913 in the Thaddeus street. In 1931 the congregation and the mission of Highland Park was melted together, but the church in the Thaddeus street got too small, hence they bought a new church building in the Vanderbilt street which was in service for the next 48 years. In 1976, when Pastor András Herjeczki became the new leader for the congregation, the congregation sold the church building. One and a half year later they bought the church in the 1362 Chandler street. The opening ceremony was held at March 12 1978.
