Church History

The Magyar Reformed Church Perth Amboy is one of the oldest Hungarian Reformed Congregation in the United States. On August 30, 1903 the first Church Service was held by the Rev. Geza Kaciany, visiting Pastor from Hungary.

In 1925 the first wooden Church was demolished after serving its purpose and the expending membership needing a great sanctuary our present Church was built and dedicated.

The congregation is the only one Hungarian congregation in the USA which has her own cemetery since 1910.

On our mailing list there are more than 300 names, on the voting list we have 233 members. The Congregation had 6 elected Ministers whose list could be found below.
