Church History

Magyar United Church of Christ was founded in 1916 as a neighborhood church in the Western Heights section of Elyria, Ohio. At Magyar United Church of Christ, hospitality has always been central. Magyar UCC, originally an Evangelical and Reformed church, was founded by Hungarian immigrants seeking a community and a safe space in the United States.

Over the years, immigrants coming to the US from Hungary settled in the vicinity of the church, and were welcomed into the community.

Today Magyar welcomes all who seek to find comfort in God through worship and community. Magyar UCC is well known for its cooking and has, for years, sold stuffed cabbages several times a year, and chicken paprikas dinners twice a year. These good and hearty foods are a source of pride to members and friends of the church. Magyar UCC continues to welcome, in the spirit of Jesus Christ, those who seek a community devoted to living the teachings of the gospels of Jesus Christ, promoting a just world, accepting others just as Christ accepts us.
